

bauma 2010

Welcome to PERI

From 19th - 25th April 2010, we will be exhibiting at bauma trade fair in Munich. Visit us to better understand how we support you in improving your construction processes, reduce costs and to increase on-site safety levels of your personnel.

We will be presenting

- **new innovative products**
- **successful use of PERI systems around the world**
- **solution-oriented services**
- **our know-how and expertise to optimize your projects**

The main attractions are

- **live demonstrations of our products**
- **multimedia presentations of PERI systems in use**
- **films about reference projects, products and our company in the PERI cinema**
- **individual discussions with our sales engineers**

We look forward to meeting you.
